

MOBILE GO KIT COMPACT GO KIT

Overview

The Go-Kit and the Compact Go-Kit enable communications personnel to connect anywhere, anytime with flexible and agile communications and interoperability. Both kits are highly secure, easy to use and include water resistant portable cases.

The Mutualink Compact Go-Kit offers the benefit of being smaller and lighter, and provides excellent performance. Large public safety agencies will be better served with the Mobile Go-Kit. Its many features, including a multi-carrier Pepwave, battery back-up and hardened CF31 P-IWS, will ensure peak performance in emergency management environments.
